

**THE PARISH RECORDS OF LOOSE
BAPTISMS
1559-1843**

NOTES

This list has been compiled from copies made by the late John Short, of the transcriptions of **the Rev Gardner-Waterman (1559-1691)**, and transcriptions by **Roger Thornburgh (1691-1843)**. Corrupt spellings of names have been retained, apart from those beginning with ff which have been modernised to F.

Where a cell is left blank it is because the information is not contained in the transcription. However, all vital information is represented in this schedule. The list includes five names from the Rootsweb list of Maidstone Strays (MS), and is fully searchable.
